

2024 LIBRARIAN APPLICATION
INSTAP STUDY CENTER FOR EAST
CRETE

The Institute for Aegean Prehistory (INSTAP) is pleased to announce the availability of a fellowship for a librarian for 2024-2025 at the INSTAP Study Center for East Crete (SCEC) in Pacheia Ammos, Crete, Greece.

The Librarian fellowship of \$28,000 plus reasonable travel expenses is given on a competitive basis to an eligible candidate for the period of May 1, 2024 through April 30, 2025. This fellowship is intended for librarians or library students, or for scholars in the field of the Aegean Bronze Age/Early Iron Age. Candidates with course work in Library Science or library work experience are preferred. It is not necessary to have completed an advanced graduate degree to be eligible.

The fellowship entails overseeing the more than 5,000-volume archaeological library at the SCEC. Duties will include acquisition of appropriate additions to the collection, implementation of a web-accessible database catalog, maintenance of the collection and archive, and other duties.

Applications must be received no later than January 31, 2024. Please send applications to Karen Vellucci at instap@hotmail.com and Elizabeth Shank at elizabethshank@hotmail.com. The award will be announced before February 28, 2024.

In addition to the completed application form, proposals should include a *curriculum vitae* of the applicant and two non-confidential letters of support: one from the applicant's sponsor (who should be a senior scholar) and the second from a scholar in the field. If the proposed work is intended to coincide with a leave-of-absence from an academic institution, a letter from the Chair (or comparable official) stating that courses scheduled to be taught by the applicant will be covered by someone with research interest in the Aegean Bronze Age/Early Iron Age should be included.

Consideration for the fellowship is open to all candidates meeting the stated requirements. Awards are made irrespective of race, gender, religion, national origin, age, disability, marital status, sexual orientation, and actual or perceived medical conditions. It is possible that in the absence of qualified candidates, the fellowship will not be awarded.
